

Windom Community Council (WCC)

Nature Friendly Windom

2022 Alternative Garden Technical Consultations

Program Information Sheet

Purpose

Are you looking to make changes in your yard that more nature friendly and attract bees, butterflies, birds, and other helpful insects? WCC will help support 24 one hour onsite technical consultations for any resident interested in exploring green options including but not limited to the following types of alternate gardens:

- pollinators, native plants, turf alternatives

Eligibility

Residents must own a home or rent in the Windom neighborhood to qualify. For this project, businesses do not qualify. Residents who live in a rental property must have written approval from the property owner or management company prior to applying.

Fees

This project is designed to be low-cost and affordable. To participate in a Nature Friendly program, residents will be required to pay **\$25** for a one-hour technical consultation fee for an Alternative/Pollinator Garden Project. The fee is paid up front to WCC prior to the site consultation.

You may directions questions to Becky McIntosh at 612-532-9710 or via email at mcintoshbec@yahoo.com.

Process [for residents/program participants]

Up to 24 properties in the neighborhood will be able to participate in the alternate garden technical consultation program. Both homeowners and renters are encouraged to apply. Applications for the technical consultations will be accepted on a first come first served basis until the funds are expended.

Alternate gardens include and may not be limited to the following gardens:

- pollinator, native plant, turf alternatives

Step 1: Apply.

Apply online here <https://forms.gle/H1KkHDT6s4PKygwm7> or print and complete an application at <https://www.windommpls.org/alternative-garden-techconsultations>.

- WCC will notify you by email or phone if you have been selected for an onsite consultation.

Step 2: Set-Up Consultation.

- Metro Blooms will contact you to set-up a consultation at your property. They will talk to you about your interests and opportunities for changes specific to your yard. They will be able to answer other questions that you have about your yard/boulevard, such as drainage issues, maintenance and creating additional pollinator habitat. These consultations last about 1 hour. We require 48 hours' notice by phone or email to WCC or Metro Blooms to reschedule or cancel your appointment.

Step 3: Build Your New Garden.

- Building your new garden will depend on your own time and resources, or any agreement and arrangements that you make directly with Metro Blooms or another company with whom you choose to work.
